

Step Six: Paragraphs And Headings

Be sure to watch the PowerPoint presentation before or while you complete this activity sheet. The presentation will explain and provide you with the answers to complete this activity sheet. Be sure to check over your work carefully.

1) When I look at a web site how can the title and headings on the page help me?

2) What is the difference between a page title and a heading?

3) Why use more than one paragraphs? Why not have one huge long paragraph?

4) Where and what is a topic sentence in a paragraph?

5) When searching for web sites that contain good information, how can looking at the paragraphs, titles and headings help you?

6) Use a search engine of your choice to find a web page on prairie farming which contains helpful information.

a) Search engine used: _____

b) What is the title of the web page? _____

c) What hints gave it away in the web page that this would be a helpful web site?

d) Were there paragraphs on your web site? Yes No

e) If yes, was there a topic sentence at the beginning of each paragraph?

f) Reference the web site that you were just visiting.

7) List the strategies you have learnt so far in Section 2, which help you organize and make sense of the information found on web pages.
